SUMMARY

Digital marketer with a CRM and analytics backbone and a creative execution edge. Six years running Salesforce lead capture and pipeline for a national direct-to-consumer retail brand, ranking #1 in store pipeline and conversion and maintaining the KPI dashboards leadership uses. MS in Digital Marketing candidate at Cal Poly Pomona (3.94 GPA), Google Analytics and Google Ads certified, with two client engagements in SEO and brand strategy.

PROFESSIONAL EXPERIENCE

Supervisor — Retail & CRM Operations

Aug 2020 - Present

Casper, South Coast Plaza — Costa Mesa, CA

- Manage the store's largest Salesforce pipeline (\$125K+, about half of all open opportunities), #1 across multiple months.
- Raised conversion to 33% in Q3, #1 on the team and 21% above store average; top 2 in monthly revenue.
- Customize Looker and Salesforce KPI dashboards weekly around active promotions and lagging product categories; added rep-level conversion reports the district manager uses to adjust team coaching.
- Dashboard insights informed an adjustable base and protection plan selling strategy that increased sales of both.
- Repeatedly selected to train 5–7 associates and managers at two other stores on email capture and closing.
- Draft Salesforce email campaigns written to targeted keywords, and produce AI-assisted social content for store channels.
- Supervise 1–3 associates, accountable for CRM data quality and follow-up execution.

Digital Marketing Micro-Intern (x2)

Fall 2025 - Spring 2026

Wellness Ranch Equine Assisted Therapy (Nonprofit) — via Cal Poly Pomona MSDM Program

- Co-developed a digital marketing plan benchmarking 5 competitors and auditing 6 social and review channels; built a segmented email program with 9 ready-to-send emails, a weekly social calendar, and a 30-day review drive.
- On a 6-person team, audited the client's site across 7 on-page SEO areas with SEMrush, Screaming Frog, and PageSpeed Insights, surfacing a 65 mobile vs. 92 desktop speed gap and 25 of 97 images missing alt text.
- Delivered a 92-keyword map by search intent, difficulty, and CPC, and recommended schema markup and above-the-fold CTAs across 9 pages.

Founder & Operator

Current

Jake Bailey Artist — Direct-to-Consumer Art Brand

- Built and operate a DTC e-commerce brand on Shopify with a three-tier product ladder (\$85 prints, \$150+ custom commissions, \$950–\$1,200 originals), owning pricing, positioning, and product strategy.
- Run an inquiry-to-delivery commission funnel and drive acquisition across Instagram, TikTok, Pinterest, and Facebook.
